APRIL 2018 Issue 33

**President's Message**  
**Barbara Fleeman Hazlett**  
**April 2018**

On March 23, 2018, The Republican Club of Ocean Hills held its first Candidates Forum. There were six Republican Candidates running for the 49<sup>th</sup> Congressional District seat to replace Congressman Darrell Issa, who is retiring at the end of the year. Congressman Issa has done an outstanding job in representing the 49<sup>th</sup> District, North San Diego County and Southern Orange County for 17 years. His shoes will be hard to fill. Present were Rocky Chavez, State Assemblyman; Diane Harkey, Chairman Board of Equalization and former Assemblywoman; Brian Maryott, San Juan Capistrano Mayor Pro Tem; Craig Nordal, Dr. Mike Schmitt, and Joshua Schoonover. Steve Hasty, Director of Tri-City Tea Party, was the moderator. All of the Candidates had an opportunity to give their background and why they were running to represent the 49<sup>th</sup> Congressional District. They all were asked the same questions regarding taxes, sanctuary cities, illegal immigration, and other current topics. The RCOH personally invited the 720 registered Republican households to attend the Candidate Forum that was put together by an Organizational Committee of Volunteers in just three weeks. They printed invitations, stuffed envelopes, and delivered them. They kept track of all those who wanted to attend and checked names and IDs when they arrived to keep Ocean Hills secure. Coffee, lemonade, ice tea, and cookies were available while they could meet the candidates before the Forum. In addition to having all who attended be better informed, RCOH got to know the other Republicans in Ocean Hills who are willing to donate time and effort in electing the best Candidates to represent us in Oceanside, California, and Washington, D.C. We want to carry this momentum forward to continue to "Get out the Republican Vote" in the Primary Election on June 5, 2018.

I would like to thank you all again for an outstanding event.

*Keynote Speaker*  
**Mark Meuser**  
**2018 Candidate for**  
**California Secretary of State**

Mark Meuser is a native Californian and a small business owner committed to fighting for honest and fair elections. From a young age, Mark was an entrepreneur. At age 12, he picked cherries in the morning and then operated a street-side stand in the afternoon. He also was hard at work taking care of orphaned animals, bottle-feeding sheep, pigs, and cows. Mark believes that these early years of hard work helped develop character during his formative years.

By age 15 Mark was in a management position at a local restaurant and at age 21 he purchased his own pizza restaurant. While running his business, which was thriving, Meuser began studying law. He graduated with honors from the Oak Brook College of Law.

To better help small businesses owners handle California's complex regulatory environment, he opened The Meuser Law Group. Mark operated a diverse civil litigation firm that represented both individuals and small businesses. His unique training has taught him how to listen to people, formulate creative alternatives, and achieve workable solutions to real problems.

In his free time, Meuser loves being outdoors enjoying California's natural beauty. Whether he is hiking, bike riding, sailing, scuba diving, or snow skiing, Meuser is always quick to enjoy the diversity this state has to offer.

Mark also is a rare book enthusiast. He has a large collection of American political biographies, United States and California State Histories that were published over 100 years ago.

Mark's priority is to guide the Secretary of State's office into the 21st Century. The people of California deserve an open and accessible government that works for them not against them. California needs a Secretary of State who will fight to protect voting laws by assuring only eligible voters can vote, and the ability to petition their government. California needs a Secretary of State who will restore voters' confidence in open, secure, and fair elections. California deserves a Secretary of State who has the knowledge needed to modernize registration of businesses in the State.
